

IN THE SPECIFICATION:

Please amend the Specification as follows:

After the last paragraph, insert the following paragraph:

F1
--Data may be obtained from a simulated game, such as a simulated hockey game,
a simulated sports game, other suitable simulated game, and/or a video game, or
combination thereof. The sports game and/or the hockey game may comprise the
simulated game, the simulated hockey game, the simulated sports game, the other suitable
simulated game, and/or the video game, or combination thereof.--
